17.	Additional and final provisions
17.1.	The Bank shall execute only orders which follow the standard template and contents and are in compliance with the Bulgarian legislation;
17.2.	For complex services fees and commissions shall be collected separately for each service specified in the Tariff (cumulative principle).
17.3.	Commissions and fees shall be collected from the main account, specified by the customer for the transaction, after the bank service has been provided. They shall not be subject to reimbursement even if the business transaction is not realised.
17.4.	Fees and commissions for bank transactions and services in foreign currencies shall be collected as a percentage amount of the currency of the transaction and shall be accrued as income for the Bank in their equivalent in Bulgarian levs, according to the central exchange rate of the BNB for the day.
17.5.	No fees and commissions shall be collected for transactions related to the raising and spending of funds for medical treatment outside Bulgaria, following the submission of the corresponding documents.
17.6.	The Bank may negotiate with individual customers conditions different from these specified in this Tariff.
17.7.	The Bank shall collect all charges of its correspondents and other banks, which have arisen in the process of execution of an order by a customer of the Bank.
17.8.	The Bank reserves its right to collect the fees and commissions from the ordering customer in the event that it is specified in the orders that the fees and commissions shall be at the expense of the beneficiary but the Bank does not manage to collect them from the latter.
17.9.	The Bank reserves its right to collect the fees and commissions from the beneficiary in the event that it is specified in the order for free transfer that the fees and commissions shall be at the expense of the ordering customer but the Bank does not manage to collect them from the latter within 90 days.
17.10.	The transactions related to the cash implementation of the state and municipal budgets shall be executed by the Bank free of charge, in accordance with Article 49 and following of the Money Transfers, Electronic Payment Instruments and Payment Systems Act.
17.11.	For specific or package bank products and services fees and commissions different from this Tariff may apply.
17.12.	For transactions and services, which are not covered in this Tariff, the Bank shall collect fees and commissions subject to negotiation.
17.13.	The Bank reserves its right to amend the Tariff of the Interest Rates, Fees and Commissions in the event of changes in the market conditions. The Bank shall inform its customers of such amendments in the premises of the Bank accessible for the public and on its web-site www.allianz.bg.
17.14.	Any changes in interest rates and foreign currency exchange rates shall be applied with immediate effect.
17.15.	This Tariff was adopted at the meeting of the Management Board held on 29 November 2012 and will be effective as of 15 February 2013. Last update was adopted at meetings of the Management Board on 31 August 2016 and will be effective as of 01 September 2016.
