ZAD ALLIANZ BULGARIA

Internship: Data engineer / Reporting analyst

Actuarial Department

Key responsibilities / What you do

- Provide operational and organizational support in preparing regular and ad-hoc reports in Excel, Oracle DB, Power BI
- Operate with large data sets. Contribute to development, testing and implementation of various data-processing and ETL-models
- Take part in process design, calculations and technical analysis
- Support data-reconciliation, automated process debugging and quality monitoring. Support the development and maintenance of automated cross-checks
- Support regular documentation, assist meetings, write minutes etc.
- Collaborate with the local departments, as well as regional and global structures

Key requirements / What you bring

- **Strong interest in large datasets and technical related fields is a must**
- **Excellent technical literacy and computer skills:** Any expertise/interest in MS Excel/ VBA; Oracle PL/SQL, ETL, Power BI, Python or R is considered a strong advantage
- **At least 3rd year Student in:** Data Analysis or Data Engineering or Applied Mathematics, Statistics or Accounting, Finance, Economics, Insurance or other quantitative or data-related field

- **Willingness to develop in data and automation:** If you're eager to find the optimal solutions and to optimize tasks, this is the right place for you.
- **Good analytical thinking and understanding of automation concepts** like logic- and cyclic-structures. Demonstrated numeric- and problem-solving skills. Your ability to present data understandably and to observe interdependence is key.
- **Patience and attention to detail:** working with large datasets demands precision and consistency.
- **Proactive engagement** and positive **attitude**. Good **communication** and **organizational** skills. Fluency in English.
- Interest in working in a diverse environment with international exposure. Eagerness to learn and ability to perform tasks independently.

Key benefits / What we offer

- Paid internship with flexible working hours
- Training and professional practice in a team of excellent specialists
- Utilization of international experience in a financial group with established traditions
- Start of the internship by mutual agreement
- **Duration - long-term**

Allianz Group is one of the most trusted insurance and asset management companies in the world. Caring for our employees, their ambitions, dreams and challenges, is what makes us a unique employer. Together we can build an environment where everyone feels empowered and has the confidence to explore, to grow and to shape a better future for our customers and the world around us.

We at Allianz believe in a diverse and inclusive workforce and are proud to be an equal opportunity employer. We encourage you to bring your whole self to work, no matter where you are from, what you look like, who you love or what you believe in.

We therefore welcome applications regardless of ethnicity or cultural background, age, gender, nationality, religion, disability or sexual orientation.
